

Gift Acceptance Policy

PURPOSE

The purpose of this Gift Acceptance Policy is to describe the type of gifts that can be accepted and the manner in which they can be accepted. Where a Permanent Endowment Committee (hereinafter referred to as The Committee) does not exist, The Board of Trustees (hereinafter referred to as The Trustees) is instructed by the Charge Conference to receive and distribute gifts received under the Gift Acceptance Policy of the Church.

INTRODUCTION

In order to protect the interests of (Church Corporate Name) (hereinafter referred to as The Church) and the persons and other entities who support its programs, these policies are designed to assure that all gifts to the Church, or for the use of the Church, are structured to provide maximum benefit to both parties.

This document focuses on both current and deferred gifts, with special emphasis on various types of deferred gifts and gifts of non-cash property. The goal is to encourage funding of the Permanent Endowment Fund (hereafter referred to as The Fund) without encumbering the organization with gifts which may prove to generate more cost than benefit, or which are restricted in a manner that is not in keeping with the goals of the Church.

To optimize funding from individuals and other entities, the Church must be capable of responding quickly, and in the affirmative where possible, to all gifts offered by prospective donors. Except where stated otherwise, these policies are intended as guidelines only. Flexibility must be maintained since some gift situations can be complex and decisions only made after careful consideration of a number of interrelated factors. Therefore, these policies may in some instances require that the merits of a particular gift be considered by the Committee and a final decision be made only after a recommendation by that Board.

The Committee reserves the right to decline or otherwise refuse any gift offered to the church, with or without cause. Reasons for which a gift may be declined include, but are not limited to the following:

1. The Committee does not believe it is in the best interest of the church or the Fund to abide by the restrictions placed on the gift by the donor.
2. The costs to maintain the gift or to meet the restrictions placed on the gift by the donor are considered to be excessive for the Fund.
3. The gift is considered to be inappropriate or unrelated to the tax-exempt purposes of the Church or the Fund.
4. The gift is designated to benefit or to be channeled to a specific individual.
