

SET THE TONE OF GENEROSITY WITH TESTIMONY

"I tell people that I live in a blessed nation. In my home country it's not as rich as here, but people have God. God is all that they have. What I've noticed here is that people *believe* in God, but people don't *depend* on God.

***To whom much is given,
much is required.***

I encourage American Christians to be strong in the Lord. So, give your life to God. God has blessed you so much!"

Keynote: Dr. Saul Ebema

Saul currently serves as the Senior Pastor of Lombard Bible Church, a member of the Christian & Missionary Alliance. After fleeing Sudan on a harrowing journey to South Africa, Saul attended the Baptist Convention College in Soweto and received his undergraduate degree. Saul came to the United States after receiving a presidential scholarship in 2005 to attend Northern Seminary. He graduated with both Masters of Divinity and Doctorate in Ministry degrees. Pastor Saul lives in Lombard with his family and loves to play soccer.
